Agenda Items:

1. **EMERALD FOOD SERVICE, INC.** requests a **new full year (quota) Class C** license with Sunday Sales, Official Permit (Food), and Outdoor Service Area, to be located at 1450 E. South Blvd., Troy, MI 48085, Oakland County. *This request is being made by the food service vendor for the new Sanctuary Lakes golf course.*

Present to answer questions from the Committee were Kim Haveranek from Emerald Food Service, Inc. and Carol Anderson, City of Troy Parks & Recreation Director.

The contract for food and beverage service at the new Sanctuary Lakes Golf Course was put out for bid. Carol Anderson, City of Troy Parks & Recreation Director, has recommended that Emerald Food Service, Inc. be awarded this contract. They have provided food and beverage service at the Troy Community Center for 17 years.

There is indoor seating for 50 patrons and outdoor seating for 180 on the pavilion. The pavilion was constructed with the option to enclose the area in the future. Emerald Food proposes to have both grill and banquet menus. There will be a serving station outside. They will most likely be open for this golf season with food service but not with liquor service. Managers and wait staff will be trained through the TIPS program. Ms. Haveranek indicated she will attempt to have the training performed on-premise.

The beverage service contract will be awarded for one year from the start of food service with two options to renew for two years each. At that point, the contract will be put out for bid. The contract states that Emerald Food Service, if awarded the contract, will be the licensee. When their contract with the City ends, they must cooperate with subsequent food vendor or return the license to the City.
